ADARSH KUMAR SAHU

Software Engineer | Jabalpur, India – 482002

9039133677 | adarshsahu371@gmail.com | linkedin.com/in/aks111 | github.com/adarshsahu123

PROFESSIONAL SUMMARY

Computer Science graduate (B.Tech, 7.9 CGPA) with hands-on experience in Python backend development and web development through two internships and a live billing software project at a startup. Comfortable working across development and testing, with a solid grounding in OOPs, SQL and SDLC. Seeking a Software Engineer role to build reliable software and keep growing as a developer.

SKILLS

Programming: Python, Core Java, OOPs (Object Oriented Programming)
Backend & Web: Backend Development (Python), HTML, CSS, JavaScript
Databases & Tools: SQL, MySQL, Git, GitHub, Visual Studio Code
Core Concepts: SDLC, Manual Testing, Debugging, Team Collaboration
Personal Skills: Hardworking, Flexible, Team Player, Attention to Detail
Languages: English, Hindi

EXPERIENCE

Developer & Tester – Viziqo (Startup) *Present*

- Developing a billing software application as part of a startup team, working as both developer and tester.
- Manually test application features and workflows to verify they work as expected, and report issues to the team.
- Collaborate with the team to fix defects and re-test fixes before release.

INTERNSHIPS

Python Developer Intern – MPSEDC *Feb 2026 – May 2026*

- Worked on backend technologies using Python in a corporate environment.
- Developed team collaboration and professional communication skills while working with the team.

Web Development Intern – Starial Pvt. Ltd., Jabalpur *May 2024 – Jul 2024*

- Completed a 2-month internship in web development.
- Managed the admin panel for product operations, gaining hands-on web development experience.

PROJECTS

RAG-Based AI Assistant

- Built an AI assistant using Retrieval-Augmented Generation (RAG) that answers user questions from a set of documents by retrieving relevant content before generating a response.
- Tested the assistant with different questions to check that the answers were relevant and accurate.
